July and January Shipments

YOUR KEY CONTACT

The Club and District Support team, cds@rotary.org.

SHIPPING

Each Rotary year, Rotary International arranges two shipments of materials to be used at President-Elect Training Seminars. We refer to these shipments as July and January mailings. The default shipping address for both shipments is the preferred address we have on file in our database for the DGE.

Club and District Support staff contacted DGEs this Spring to verify addresses for those involved in multidistrict trainings. If you still need to verify a shipment address for your event, email cds@rotary.org by **31 July**.
