

# MD PETS Alliance

A Consortium of Multi-District PETS Events

## Tis the Season....

PETS Events are beginning. Starting this weekend with Southwest PETS and ending March 24 with Mid-Northeast, these next two months are what we have worked hard on all year. Good luck to all!

## RIPE Barry...

RIPE Barry's welcome letter to all Presidents Elect can be found on the [www.petsalliance.org](http://www.petsalliance.org) webpage [**Resources**—> **Resources from RI**]. You'll also find other relevant 2018-19 theme information and Toronto Convention Promotional materials.

## MD PETS Discussion Ideas....

When you debrief with your team, identify those questions that you'd like to discuss with other event coordinators. MD PETS committee is working on the agenda for this coming July. We want to provide timely and helpful information for your planning.

## Updated curriculum...

If you've updated your curriculum or event documents, please send a copy to Steve Denning for updating on the PETS Alliance website. Remember, there is no plagiarism in Rotary! Event information can be found under **Resources**.

**REMINDER:**  
Make sure you have updated the Contacts on the "Members" page.

**SHARE:**  
Your curriculum with the members of MDPA. Send to [steve.denning@itresourceinc.com](mailto:steve.denning@itresourceinc.com).

**HISTORY:**  
Please submit a 1-page history of your PETS for the 20th celebration of MDPA (send to Ken)

## Staffing for PETS...

Do any PETS events have “Operations Directors’? Do you have any paid staff? If so, please contact Jacque Andrew, Immediate Past Chair NCPETS at [jeandrew@netins.net](mailto:jeandrew@netins.net).

## Rezoning....

If your PETS has been impacted (positively or not) by recent rezoning, please let us know. We’re wondering about this as a discussion topic.

**MD PETS is all about networking and sharing ideas.
