

Founded 1998

PETS Alliance, founded in 1998, comprised entirely of volunteers, strives to accomplish the following objectives:

1. Improve and strengthen Multi-District PETS efforts in furthering Rotary, as PETS organizations conduct the important training of future Rotary Club Presidents.
2. Assist the leaders of Multi-District PETS organizations in identifying and communicating “What Rotary Club Presidents need to know and do?”
3. Serve as an illustrative experience of networking, education, inspiration, and engagement, primarily for one aim, to excite and enthuse attendees in the furtherance of the ideals and objectives of Rotary through PETS organizations.

For those who indicated an interest in these optional sessions, the RI Staff shared access to the small groups via an email message in July. The message from the staff confirmed participation and shared the respective link to access each session.

There are two one-hour small groups on Friday afternoon and two more one-hour small groups on Saturday afternoon.
