

June Updates

Hello PETS Organizers,

With the unfortunate timing of the health orders for opening coming only recently, we will once again be required to hold a Virtual Annual Meeting, and like many of you, I can't wait to see everyone LIVE again!

One big benefit of being virtual is that we now have the technology and experience to host more members of your PETS Committees. We are opening this year's Annual Meeting to any members of your committee that wish to attend. We are asking that everyone sign up as soon as possible to allow us time to set up for the larger number. The deadline for registering is July 2nd, so please go to our website and register.

This is one year that you will not want to miss. We will be receiving all the latest updates and changes from the different departments by our Rotary staff, and we have confirmed that RIPE Jennifer Jones will be on hand to present live to us.

This will be my last newsletter as Chair as we have Chair Elect Dean Ryerson (Midwest PETS) ready to take over following our Annual Meeting, and the Board has recommended Rosemary Aragon (Pacific Northwest PETS) follow him as Chair.

I look forward to seeing all of you at our Annual Meeting.

Please visit our website and take the time to register (if you haven't already) and check to make sure your dues are paid up.
