

# Multidistrict PETS Alliance

PETS1 and PETS2 Shipments

15-16 July 2016

## **YOUR KEY CONTACT**

The Club and District Support team, [cds@rotary.org](mailto:cds@rotary.org).

## **SHIPPING**

Each Rotary year, Rotary International arranges two shipments of materials to be used at President-Elect Training Seminars. We refer to these shipments as PETS1 and PETS2. The default shipping address for both shipments is the preferred address we have on file in our database for the DGE.

Club and District Support staff started contacting PETS organizers in June to verify addresses for any DGEs involved in multidistrict trainings. If you still need to verify a shipment address for your event, email [cds@rotary.org](mailto:cds@rotary.org) by **25 July 2016**. PETS1 materials and addresses will be released to our shipping agent by end of July.
