Dear club president-elect,

Welcome to your presidents-elect training seminar. This important training event is designed to provide club presidents-elect with the information and inspiration necessary to prepare for the upcoming year. Its goals are to increase your Rotary knowledge, bring you up-to-date on the challenges and opportunities faced by Rotary clubs, broaden your experience of Rotary through networking with your peers, and ask you to exemplify the Rotary ideal of Service Above Self. The team of organizers and trainers will share their knowledge and experience to prepare you for your exciting journey as club president.

Club presidents play a key role in our organization. You are asked to lead by example, keep your fellow members active and engaged, grow your club, and impact your community through sustainable projects. I want you to feel prepared and confident in your ability to lead and, therefore, your ability to succeed.

By the end of this intensive training seminar, I trust you will be fully prepared to lead the Rotarians in your club and to accomplish the goals that you and Rotary have set for 2019-20. I wish you success in all your endeavors next year and for all the years to come.

Congratulations on your election as club president. I look forward to you joining me as *Rotary Connects the World*.

Kindest regards,

A handwritten signature in black ink that reads "Mark Maloney".
